A this moment an Email with your Costumer code has been sent to your email account.

A screenshot of a web browser window titled "New Registration". The main content area contains a message: "We sent customer code. Please check your E-Mail". Below this message is a text input field labeled "Customer Code". At the bottom right of the window, there are two buttons: "Prev" and "Next". The "Next" button is highlighted with a red border.

### First Email Confirmation

Subject: TSShield Customer Registration  
From: tsshield@tierraservice.com  
Dear Javier Ramirez,

Your account has been successfully registered.

Your customer code is: 1342206336.

Please use the customer code in the registration page or click on the following link to complete the registration:  
<http://tsshield.tierraservice.com/?c=1342206336&l=en-US>

Best regards,

TSshield staff.

Now on the instrument you can simply push the “Confirm” button (Confirm for Monaco SX/PS, and Daytona FX/OS Instruments CHEK for INDY ES/CX), and TS will connect to the server and in about 2 minutes the instrument will be unlock.

Or you can type in the unlock code, and push the unlock button.
